

Continuous 20 Years Success in QMS 9001:2008 Audit

By **ROHANA BT DAUD**

Senior Manager, *Quality, Safety, Health & Environment Department*

The Annual Surveillance Audit of Quality Management System (QMS) was conducted on 10 & 11th August 2015.

The audit covered the main and supporting processes and activities within the company as stipulated under ISO 9001:2008 (QMS) Standard. Three (3) Departments (QSHE, BDD and OPS) and one Site (Menara Prudential) were selected by the auditor to verify the effectiveness of our QMS implementation throughout the company.

After two days of interview, document reviewed, plant room inspection & record verification, the auditor announced that we had

passed the Surveillance Audit with **Zero NCR (Non-Conformance Report) and 2 OFI's (Opportunity for Improvement)**.

Congratulations and well done to all staff. 🎉
